

## THE BENEFITS OF POLIPHENOLS

The natural polyphenolic molecules contained in our **Cabernet Franc marcs** are precious antioxidant that counteract the damaging aging action of free radicals.

**Our Polyphenols-based beauty products, from our marcs, leave the skin toned, smooth and compact, fully revitalized and shining with youthful brightness.**

**100% made in Italy!**

# ANTI-AGING SCRUB LOTION

## WITH POLYPHENOLS, FROM CABERNET FRANC MARCS

### What is it

Fine sugary scrub lotion with extract of Cabernet Franc marcs and grape seed oil rich in polyphenols for intense anti aging and antioxidant action

### Effects

Removes dead cells and impurities, stimulates new cell growth and prevent skin aging. Enhances skin radiance and firmness.

### Recomendations

Very delicate, suitable also for sensitive skin

### Composition

Dry extract of Cabernet Franc marcs, grape seed oil and almond oil

### Benefits

- Exfoliating action thanks to natural microgranules from dry extract of Cabernet Franc marcs.
- Perfectly eliminates dead cells
- Leaves a nourished, silky and refreshed skin.
- Allergens-free fragrance
- Natural bases
- No dyes
- Parabens free
- Petrolatum free

### Use

Apply on dry skin, massage gently and rinse thoroughly. Follow with applications of SERUM and FACE LOTION with extract of Cabernet Franc marcs
